RESPONSE TO OFFICE ACTION

Responsive to the Communication dated December 30, 2002, entry of the following amendments and consideration of the following remarks are respectfully requested.

AMENDMENTS

Please add the following new claims.

*E1*  
42. (New) A method for identifying a bi-target ligand to enzymes in an enzyme family, comprising:

(a) identifying a first bi-ligand to a first enzyme in said enzyme family, wherein said bi-ligand comprises a common ligand, wherein said common ligand is a cofactor or mimic thereof, and a second ligand, wherein said second ligand binds to a substrate binding site of said first enzyme;
